What You Might Save

You can easily reckon it yourself. Taken on of coal containing no more than common coal, giving ten per cent more heat, and naturally more dependable, easily carried for fire.

Compare the actual value received with the value you get from a ton of ordinary coal and you will see at once why the most particular as well as the most economical people demand ideal coal and will accept no other.

RACING MATINEE

HEAT AT FAIR GROUNDS
THURSDAY AFTERNOON

Good Card Offered—Free for all Pace Won by "Bessie C"
Crowd Was Large—Music by Jeffries Band.

The first matinee of the Jacksonville Driving club, held at the old fair grounds Thursday afternoon was a grand success. A large crowd was in attendance and the races were run off without tiresome delay, the brief intermissions being filled with music by Jeffries band.

The card showed three races—a green pace, with six entries; 2:30 trot, with three entries, and a free for all pace with four entries. A special trotting race was also given between Baxter B, owned by Dave Neal, and Theodore, owned by J. H. Alger, of Woodhouse. The track was fast, but, as is generally the case early in the season, the time was rather slow.

The officials of the races were: Judges—J. W. Woods, Frank English and A. D. Arnold.
Timers—J. V. Cleary, Will Masters and O. C. Henry.

Starter—Frank Huffaker.
The regular races were best three out of five, money to first and second, and the special race was best two out of three. All the races were won in straight heats, except the free for all pace, which took four to decide.

GREEN PACE.
First heat—The first race was the green pace. Billy Tanner drew the pole, Kittie Cloud, second; Baby C, third; Baster Hal, fourth; Motor, Jr., fifth, and Golden Chief, sixth.

They were off, the second time down and strung out around the turn, Baster Hal (Biggs) leading. Hal broke at the quarter and Golden Chief (Woods) took the lead, winning easily. Baster Hal was second, Billy Tanner, third, and Motor, Jr., fourth. Kittie Cloud in the order named. Time—1:20.

Second heat—The heat was delayed by Origa's horse breaking the sulky. They scored the first time with Golden Chief, Baster Hal and Motor, Jr., in a bunch. Golden Chief pulled ahead, but Biggs drove up at the three-eighths, and it looked like his heat. Baster Hal broke in the stretch and Golden Chief won easily. Baster Hal, second; Motor, Jr., third; Billy Tanner, fourth; and Kittie Cloud in the order named. Time—1:20.

Third heat—They were given the word on the first time down. Baster Hal broke on the second turn. Origa drove up and made a race for second in the back stretch. Golden Chief far in the lead, winning the heat and race. Baster Hal, second; Motor, Jr., third; Baby C, fourth; Billy Tanner, fifth; and Kittie Cloud in the order named. Time—1:22.

Summary.
Golden Chief (Woods) 1 1 1
Baster Hal (Biggs) 2 2 2
Motor, Jr. (Craig) 3 3 3
Baby C (Green) 4 4 4
Kittie Cloud (Anderson) 5 5 5
Time—1:19, 1:20, 1:22.

First heat—There were three starters in the 2:30 trot. Gray Kate (Anderson) drew the pole, Cora J. (Lohman), second; High Society (Arnold Bros.), third. It took two starts to go, and it was a race between High Society and Cora J. from the start.

The big Arnold bay led most of the way around. Cora J. made a plucky fight, but High Society came under the wire winning by a neck. Cora J., second; Gray Kate, third. Time—1:10 1/2.

Second heat—Gray Kate was drawn and High Society and Cora J. got off the second time. Lohman trailed his mare around to the three-eighths, where she crowded High Society, but broke in the stretch, losing the heat. Time—1:14.

Third heat—They got the word on the second start. Cora J. broke at the turn, but caught handily and made a good race. She broke again in the stretch. High Society took the heat and race. Time—1:10 1/2.

Summary.
High Society (Arnold Bros.) 1 1 1
Cora J. (Lohman) 2 2 2
Gray Kate (Anderson) 3 3 3
Time—1:10, 1:14, 1:10 1/2.

FREE FOR ALL PACE.
First heat—There were four starters in this race. Lady J. drew the pole, Minimum, second; Bessie C, third; Prince Roland, fourth. They went down in a bunch the fourth time. They all broke on the way around and strung out. Bessie C came in first, Minimum, second; Prince Roland, third; and Lady J., fourth. Time—1:13 1/2.

Second heat—They got off the second time down. Minimum broke around the turn; Bessie C kept her feet all the way around; Minimum came up to second place, and came down the stretch with Prince Roland and Lady J. all running. Bessie C was first, with the others in the order named. Time—1:07.

Third heat—They were given the word the fourth time down. Minimum broke around the turn and again at the three-eighths. Prince Roland and Bessie C also broke. Jericho kept his mare on her feet and drove a splendid race, winning handily. Minimum, second; Prince Roland, third; and Bessie C, fourth. Time—1:12.

Four heat—Bessie C. led all the

way around and came in first, Lady J., second; Prince Roland, third; Minimum, fourth. Time—1:12.

Summary.
Lady J. (Woods) 1 1 1
Bessie C. (Jericho) 2 2 2
Minimum (Dumaker) 3 3 3
Prince Roland (Vassilov) 4 4 4
Time—1:07, 1:12, 1:12.

SPECIAL TROT (Mile Heats).
A special race was arranged between Queen Bee, owned by Dave Neal, and Theodore, owned by J. H. Alger, of Woodhouse. Queen Bee showed up lame before the meet, and Baxter B. was drawn from the 2:30 trot for the event, which was run in mile heats. They got off the second time down. Theodore broke all around the first turn, giving Baxter B. a good lead, finishing the first half in 1:12. Theodore broke on the back stretch, but gradually drew up. He showed a splendid speed in the stretch and though Baxter B. held his own manfully, gradually shortened the distance and reached the wire by a bare nose ahead. Time—2:24 1/2.

Second heat—It took two starts to get off and Theodore led all the way around, finishing the first half in 1:10 and the second in the same time. Theodore, first; Baxter B., second. Time—2:20.

Summary.
Theodore (Alger) 1 1
Baxter B. (Neal) 2 2
Time—2:24, 2:20.

NOTES.
The crowd was perhaps the largest which the club has ever had on their opening day. The matinees have proven very popular attractions in the past and bid fair to be more so this season.

It is expected that before the summer is over some first class racing will be seen. The horses have not been adequately tried out yet, but are showing signs of developing good speed. Several of the young horses are showing up especially well.

Among them is Baster Hal, owned by Louis Biggs. She was entered in a race or two last season and is showing up well this year. She took second money in the green pace.

The membership of the club is large, about 150 members, tickets having been sold in advance of the first race.

The grand stand, judges' stand and timers' stand have all been put into a good and safe condition, the woods have been cut and everything put in first class order. Other improvements will be made from time to time so as to make the place an attractive one for an afternoon's outing.

Baxter B., owned by Dave Neal, showed well in the special trot yesterday. He was beaten simply because he was outclassed, and not because of any misbehavior. He has not been known to break since he has been on the track.

A George Craig narrowly escaped serious injury, and averted a bad accident only by keeping cool and acting promptly. His horse, Motor, Jr., was nervous and acting badly. A sudden rear and plunge of the animal overturned the sulky, which was one of the light pneumatic style. Throwing Mr. Craig out backwards, he held the lines and threw his strength on the sulky, with sufficient force to throw the horse, and held him down until assistance came. The only damage that resulted was the breaking of both shafts of the vehicle.

Special attractions are promised for the entire season in the way of races, so as to have a star attraction for each matinee. Plans for an automobile race are being considered, and it is thought that it may be given in the near future.

Jericho showed splendid horsemanship in his driving of Lady J. taking first in one heat, and thus getting in the money.

HEED ANNUAL PICNIC.
The annual colored picnic, which was held at Riverside park near Daytona Thursday, was attended by 287 excursionists from this city. The local delegation, departed Thursday morning about 7:40 o'clock via the C. P. & S. J. on train 30, and occupied three special cars and a baggage car. They arrived in Daytona about 9:30 o'clock, where delegations from Peoria, Springfield, Petersburg and St. David, to the number of about 300, were waiting for them. All the day was most pleasantly spent. The main feature of the day was a baseball game between Peoria and Springfield, in which Peoria won.

The main event of the day was a football game between Peoria and Springfield, in which Peoria won. The game was played on a field near the city, and was a most interesting one. The Peoria team was led by their captain, and they played a most creditable game.

RAILROAD NEWS NOTES

Burlington Complicates Improvement in Passenger Accommodation—New Alton Time Card Will Not Affect Local Schedule—Personal Mention.

The Burlington is going to put their passenger trains, 47 and 48, running through this city between Cincinnati and Concord. W. A. Carter, trainmaster, and Mr. Rutherford, inspector of passenger trains, were in the city Thursday and inspected train 48, which was standing in the yards at the time.

The local trains are composed of two coaches, and on Saturday of any big day, when traffic is large, many of the passengers are obliged to stand. The company is spending thousands of dollars on the improvement of the roadbed on this division, and the officials have decided that it would be wise to increase the passenger traffic facilities.

The officials are as yet undecided whether they will build new coaches, especially for this line, or send some coaches of the later type that are now in use on the mainline. If the new coaches are built the trains will consist of two coaches, seventy feet long, or else three coaches fifty feet long.

The engines which pull the present trains are in good condition, but they will probably be replaced with engines of a larger type.

The officials say that this is a peculiar division, and that it is impossible to talk to the passenger traffic will pass from one day to another, but it does not seem as though the management would go to the expense of installing new trains if it was not a paying proposition.

The appointment of George F. Navin as general freight agent of the Peoria & Pekin Terminal railway has been announced. It is of record July 1st. Mr. Navin has been assistant general freight agent for the past year, but will take up his duties formerly performed by General Manager Talbot, who will give up the office of general freight agent owing to a press of other business.

Mr. Navin went to Peoria from Texas, where he was connected with the Rock Island system.

W. A. Freese, the Alton superintendent of telegraphy is preparing for an inspection of the telegraph electrical signals of the entire road. He has been overhauling his gasoline motor and will start out in a few days for a trip over the entire line. He will likely be accompanied by Signal Officer Daves. As the trip will be a long one, it will be necessary that their car be given a thorough overhauling and placed in the best possible condition. The inspection will comprise all telegraph and electrical apparatus and attachments and a report will be made of the condition and operation. The trip will likely require a week and will be the first one of the kind made in some time.

The Alton maintenance of way department has commenced the loading of 20,000 of the ties now stored at Normal and which are to be used for the new work on the P. & N. and the Peoria & Pekin extension. The company is anxious to secure a large force of men to load these ties, but is finding much difficulty in securing a supply. The trouble is said to be that the rival roads pay more than the Alton rate. The Alton pays \$1.35, but after securing a large force some of the other roads are accused of offering the men \$1.40 and \$1.45. This was true recently at Peoria, where a large force deserted when more money was offered. The Alton has nearly 100,000 ties stored at Normal for the proposed new work, and the loading and unloading will require a very large force of men during the present summer.

That the feeling between the Wabash conductors and the collectors was not very kindly was plainly evident when the order abolishing the collector system was given out. One man who was quick to express himself on this point was Conductor George W. Jenkins, who runs trains 8 and 9 between Decatur and Quincy. Wednesday morning Collector Gamon with this information was helping passengers on train No. 9 at Decatur as usual. Just before the train was ready to leave he was approached by Conductor Jenkins.

"Get any transportation to bring you back from Quincy?" asked the conductor.

"No," said the collector.

"Get any money?"

"No."

"Well, you will have to have one of the other if you come back with me?"

The collector did not go out with the train preferring to remain in Decatur than to pay fare. Later in the day a bullet assigned by General Superintendent Alcorn was posted ordering conductors to carry collectors as free for three days.

General Manager Goodnow, W. B. Calvey and other officials of the Alton have settled an important matter which has been discussed and argued for upward of a year. This was the crossing matter with the Carlinville interurban, or the Illinois Traction company. The interurban has been seeking a grade crossing with the Alton, while the latter insisted that the interurban either go over or under. Thus the matter rested until the Alton desired to build its

line from Decatur to Murreysville, when it desired a grade crossing with the interurban. This was asking the very favor that it has refused to grant others, and after preliminary sparring with the interurban officials the matter settled down to an amicable discussion of the matter with the result that each road won its point and now neither road crossing will be made at grade. The interurban will go under the Alton at Carlinville and the Alton will go over the interurban at Carlinville. This accords with the policy of the state board of warehouse commissioners to prohibit railway crossings at grade.

A new time card will go into effect on the Alton Sunday morning at 12:01 o'clock. Before the card was completed it was rumored that there would be radical changes in the time of the trains on this division, but the local schedule has suffered no change whatever. The new card (No. 194) is the first one that has ever had an interurban car schedule in it.

The Wabash interlocking gang, which has been at work repairing the interlocking plant in this city the past few weeks, expect to finish their work Saturday.

James Hennessey, of the C. P. & S. J. boiler shop, went to Pekin Thursday.

J. P. Spanghove, cashier at the Burlington freight office, was in Warrenton Thursday.

R. H. Utley, traveling passenger agent for the Erie Dispatch, of Chicago, was in the city Thursday on business interests.

REMEMBER THE FOURTH

It Will Be a Big Day in Jacksonville.

The day of our national independence is drawing near and will be celebrated in Jacksonville in a manner befitting the importance of the occasion. The celebration will be on the square and will consist of balloon ascensions, various attractions too numerous to mention, fireworks at night and all manner of fine things to make the day pleasant. Everybody welcome and no charge to see the sights. Come one and all and help celebrate the nation's birthday.

SHEEP SHEARING

The Hopper Family and Friends Enjoy Their Annual Picnic

Thirty-five years ago the Hopper family established the custom of an annual family reunion and the excellent plan thus started has been carried out ever since and nothing could be more suitable or praiseworthy for it is always happy to see family ties kept strong and family affection not permitted to grow less. At first spring sheep shearing time was found the occasion, but it was found to be more desirable to have the gathering later and as the number of sheep kept decreased it was decided to have simply an annual picnic some time in June. This year the affair was at Duhon springs, east of the city and nearly ninety people were present and the day was all that could be asked. Of course there was a dinner and all who know the rare skill of the ladies in the Hopper family and connections are aware of what the bill of fare must have been and this time it was in no way behind that of past years. In fact the merry makers could hardly navigate for some time after eating and had to remain quiet until the meal had had time to settle somewhat. Then they turned their attention to the pleasures of the day devoting themselves to baseball, ladies and gentlemen participating, also progressive horse shoe pitching, the prizes being won by Carl Schaffer and Newton Wilson. The children also did some baseball playing on their own account. Dr. H. H. O'Neal ably acted as umpire and his decisions gave good satisfaction. Rev. Nathan English was also a gratified participant in the pleasures of the day.

A most program being enjoyed, the responses being bright and witty. It was as follows:

Willings Workers—Rev. Nathan English.

English—Weary Waiters—Platter Hopper.

Words and Wool—of Why the Wherefore—Thomas Hopper.

When—Charles Hopper Sr.

When Weary With Work—Richard Hopper.

Women's Wonder—What They Cook and Their Husbands—Dr. H. H. O'Neal.

Epworth League of Centenary church will give an ice cream social on the church lawn Tuesday evening. Everyone cordially invited.

DELIGHTFUL

RECEPTION

Given Thursday Evening in Honor of Mr. and Mrs. Allan Ayers Who Have Returned From Their Wedding Trip.

An event of prominence in the social calendar was the reception given Thursday evening by Mr. and Mrs. Walter Ayers, of 900 West State street, in honor of Mr. and Mrs. Allan Farrell Ayers, who have recently returned from their wedding trip. It was the first of a number of post-nuptial functions by which this popular bride and groom will be honored and the guests found the company one of pleasure and enjoyment.

In the receiving party were: Mr. and Mrs. Walter Ayers, Mr. and Mrs. Allan F. Ayers, Miss Laura McDonald, Miss Edith Collins of Quincy, and Miss Edith Crane of Quincy, the young ladies having been members of the Ayers-Hamilton wedding party in Quincy.

After cordial greetings by the host and hostess and presentation to the members in the receiving line, the guests mingled socially in the parlors and were later invited to the dining room, where delicate refreshments were served.

The Ayers home presented a very pretty appearance on this delightful occasion and excellent taste was exhibited in the decorations. The floral beauty was secured by a lavish use of spring flowers, large bunches of sweet peas being employed in all the rooms downstairs, while nasturtiums lent their charm to the upstairs rooms.

The parlor and library were in green and white and this effect was secured by foliage plants, asparagus fern, huge bouquets of hydrangea, white carnations and sweet peas. Delicately shaded lights added to the color scheme of pink and green in the dining room. The center-piece on the dining room table was an exquisite arrangement of sweet peas, with a beautiful blending of colors, and the conception was very artistic.

Trappe was served in the hall upstairs and on the porch, which was lighted with Japanese lanterns. The reception proved a most charming social event and the sincerity with which the congratulations and best wishes were spoken to Mr. and Mrs. Allan F. Ayers evidenced the high regard in which they are held.

Those who assisted in entertaining were: Mr. and Mrs. John A. Ayers, Mr. and Mrs. E. C. Quabbe, Mr. and Mrs. J. L. Farrell, Mrs. D. L. McDonald, Mrs. M. P. Ayers, Mrs. F. G. Farrell, Mr. and Mrs. E. A. Nixon, Mr. and Mrs. James T. King and Mr. and Mrs. W. K. McLaughlin.

Thursday afternoon Mrs. Walter Ayers entertained a limited company of guests in honor of Mrs. Allan Farrell Ayers, the hours being from 3 to 5 o'clock. The function was one of rare enjoyment and will be remembered with especial pleasure.

In the receiving line were: Mrs. Walter Ayers, Mrs. Allan Farrell Ayers, Miss Laura McDonald, Miss Edith Collins of Quincy, and Miss Edith Crane of Quincy. Those who assisted in entertaining were: Mr. John A. Ayers, Mrs. E. C. Quabbe, Mrs. J. L. Farrell, Mrs. D. L. McDonald, Mrs. M. P. Ayers, Mrs. F. G. Farrell, Mr. and Mrs. E. A. Nixon, Mr. and Mrs. James T. King and Mrs. W. K. McLaughlin.

Accounts due Seeburger & Bro. must be paid to Miss Donovan at old stand before July 1. After that date same will be in hands of Attorney for collection.

LAWN SOCIAL

The ladies of the South Side Aid society gave a social on the lawn at the Mission Thursday evening, which in spite of the cool weather was well patronized.

DEATH RECORD

DUNCAN

At 1 o'clock Thursday morning Jordan Duncan died at his home on South Fayette street in this city. He was born in slavery in Kentucky, in September, 1800, and lived in the blue grass state until 1864, when he was bought by his father, Henry Duncan, who had previously come to this city and opened a restaurant on North Main street, just north of the Wabash tracks, where B. F. Wooster at one time carried on the poultry business. Henry kept a good place and as passengers and freight were all handled there at that time he did quite a business and was able to buy his son, who paid back all the money his father had laid out for him. Jordan secured employment from Edgmon & Painter, who were carrying on a brick yard just south of Anna street, between Fayette and Diamond. When the civil war broke out he was hired as cook by the 101st regiment and went with that famous organization through a large part of its service and in the discharge of his duties he seriously injured his eyes, which were never as well afterwards.

When he returned from the war he went to work for Alexander Edgmon, who had succeeded to the business of Edgmon & Painter, and afterward drove a team and did other manual labor according to the best of his ability, his last work for some years being street crossing cleaner as long as he was able to work. He was naturally industrious and wanted to work as long as he was able to do so, and was the father of five children, but when he was redeemed the owner of his wife wouldn't sell her, so he left here, never expecting to see her again. His mother was sold from him when he was 5 years old and he never ceased to grieve for her and his daughter-in-law, who mentioned it only a week before he died.

In 1858 he was married in this place to Martha Lewis, who has ever been a faithful wife and who survives him. She is the mother of two sons, Thomas H., of Chicago, and David J., of this place, who are living. Two of the children of his first wife survive; they are: Mrs. Celia Hurt, of Chicago, and Mrs. Martha Washington, of Springfield.

After the war he received a letter stating that his children in Kentucky were not getting any advantages and he sent for them, borrowing money of Mr. O'Connell for the purpose and honestly paying it back. One was dead and the four remaining he educated as best he could, doing all in his limited way he could for them. Two have succeeded. He has a sister, Martha Elliott, living in Dowie's Zion City, near Chicago.

Mr. Duncan had felt the infirmities of age for some time and especially since last February, when there was a fire next door to his home and which wrought him up a great deal at the time. His wife, his son David and wife have all been dutiful to him, doing all in their power to relieve his sufferings. He was a faithful member of Mt. Emory Baptist church and at one time owned the ground upon which the present edifice stands, and sold it to the society in 1860 when they worshipped on Anna street. When they felt the end near he was entirely resigned to the will of God and passed away peacefully.

An effort is being made to communicate with the absent children, so that the funeral will be Saturday at 2 p. m. Thomas is expected from Chicago to night.

JONES.

Mrs. Frank Jones, formerly Miss Nellie Kastrip, daughter of Mr. and Mrs. Peter Kastrip, of this city, died at her home in Peoria Thursday morning at 4 o'clock, of an ailment of the stomach. An operation was performed without success.

Mrs. Jones had lived in this city most of the time until a few months ago, when she was married to Frank Jones, since which time they have lived in Peoria.

The remains will be brought to this city for interment. The funeral notice will be given later.

In addition there will be a regular official publication of the proceedings, like the congressional record.

PLAYED GOLF

Jacksonville Ladies Victorians at Bloomington, but Men Lost Their Match—Visitors Were Most Cordially Entertained.

Thirteen members of the Golf club journeyed to Bloomington Thursday, where they met the Bloomington players in a good contest. The gentlemen players lost to Bloomington by a score of 8 to 18 (Nassau system), but two men winning their points—Hockenbush and Huffaker. The ladies were more fortunate and all defeated their opponents, winning by 13 up.

The scores were as follows:

The local enthusiasts were met at the trail by the Bloomington players and were royally entertained while in that city. Supper was served in the club house.

For the Jacksonville players, Frank Huffaker put up an excellent game. He is a young golfer, but plays a remarkably good game. The other players did very well indeed, considering that the course was unfamiliar to them and they were tired from their trip. The occasion was a delightful one and will long be remembered by those who enjoyed the hospitality of their Bloomington friends.

The party was accompanied to Bloomington by Miss Lily Gordon and H. E. Briggs.

PLEASANT SURPRISE

Miss Mollie Graubner was pleasantly surprised Thursday evening by about twenty-five of her friends of the Luther Walther circle of Salem Lutheran church, the occasion being her eighteenth birthday. The evening was most delightfully spent with music and games and delicious refreshments were served.

Max Mayfield has resumed his work in the Watson studio, after attending the wedding of his cousin, Miss Eulalia Reinbach, and visiting with other friends in the vicinity of Jacksonville.

CHEERED MACHINIST

George Wolke was called to Cornland, east of Springfield, Thursday to repair an engine in an elevator owned by Mr. Leach. The trouble had been investigated before by several machinists, none of whom could discover just where the difficulty lay, and Mr. Wolke did a very nice piece of work in repairing the machine in about fifteen minutes. A large crowd witnessed the work, and when the elevator again began operations, greeted the machinist with a cheer.

MEMORIAL SERVICE

In Honor of Odd Fellows Who Have Joined the Great Majority During the Past Year.

It is a beautiful custom of the Odd Fellow lodges of this city to unite once a year in a service at which the memory of those members who have gone to rest during the preceding year is honored. Such an occasion was that Thursday evening in Castle hall. A large number of the members of the two lodges were present, with the ladies of the Rebekah degree lodges and friends.

The services were exceedingly impressive in character. T. M. Tomlinson presided; and after the singing of "Blest be the Tie that Binds" in a feeling manner by the audience, Dr. W. T. Short offered a fervent prayer. The fourteen members deceased from the two lodges, Illini No. 4 and Urania No. 244, during the past year were then honored in short addresses, as follows:

J. W. Robinson, by J. K. Long.
Dr. W. C. Cole, by Dr. T. A. Wakely.
George E. Doying, by George H. Hinton.

J. G. Scott, by a paper prepared by J. P. Brown and read by J. Marshall Miller.
Miss Bertha Anderson then sang sweetly, "Lord, Kindly Light."

Benjamin T. Brown was remembered by John Bowen.
D. W. Tindall, by Philip Lee.
William Barnes, by George L. Merrill.

Oliver Mason then sang an appropriate number, "Abide With Me." The sketch of G. B. Dobyns was given by E. M. Kimman.

T. Seeburger, by Charles Bennett.
Charles B. Schamerhorn, by John R. Davis.
B. W. Simmons, by E. M. Vasconcellos.

"The Holy City" was then sung in a beautiful manner by Miss Ailsie Goodrick.

Remarks on the life of Fred Rottger, by John Minter.
William Cousin, by a paper prepared by Andrew Russel and read by J. A. Obermeyer.

S. D. Osborne, by Dr. W. F. Short. The exercises ended with the singing of "God be with You Till We Meet Again," after which Dr. Short pronounced the benediction.

The committees were: For Illini lodge No. 4—J. A. Obermeyer, chairman, T. H. Rapp and Dr. M. H. Goodrick. For Urania lodge No. 244—T. M. Tomlinson, chairman, J. W. Bowen and H. A. Withee.

MERCURY DROPPED

The mercury took a decided drop Thursday evening and at 2:45 o'clock this (Friday) morning the thermometer registered 54 degrees.

"Success Magazine" has secured from Alfred Henry Lewis, author of the celebrated Wolfville sketches, the six detective stories on which he has been at work for some time. The central figure of these stories is "Inspector Val," the prototype of one of the most successful detectives on the Central office force of New York City. The first of these stories is entitled, "The Washington Square Mystery" and it will appear in the July issue of "Success Magazine." Those who have read Mr. Lewis' accounts of the stirring deeds of "Inspector Val," say that he is a detective who will easily take rank with the best of his class in the world of fiction.
